What we call Hogwarts Express is actually the Jacobite Train, which runs the 84 mile stretch separating Fort William from Mallaig on the West Highland Railway Line. It is often dubbed one of the greatest rail Journeys in the world. Pass some of the key film locations from all 8 Harry Potter movies as you lose yourself in the wilderness of Rannoch Moor. Discover the volcanic glen from "The Prisoner of Azkaban" en route to Fort William, where you will board the Hogwarts Express steam train.
